

Septimatech 5S Change Parts Carts

Optimal Storage Customized to Your Needs

Septimatech 5S Change Parts Carts are custom-made to provide optimal organization for your changeover parts, processes and storage needs. Every part has a dedicated location for instant identification, easy visual assurance and ready access. Changeovers are organized, efficient, and ergonomic.

Septimatech 5S Change Parts Carts are an ideal solution for pharmaceutical, food and other companies with strict clean room and FDA compliance or Six Sigma requirements. 5S Change Parts Carts are constructed of washdown inert materials for effortless on-cart change part cleaning. Optional drawers, doors and covers keep parts sanitary and secure during transport and storage.

Septimatech has more than a quarter century of lean manufacturing experience and has provided 5S carts for hundreds of lines worldwide.

Benefits
